All airfares are subject to government approval and change without notice.

INSURANCE: Insurance is NOT included in the tour price. Because of the cost of medical care outside the United States, the fact that Medicare does not provide coverage outside the United States, the possibility that your own insurance provider may not cover you outside the United States, and due to the potentially high cost of escorted air evacuation, travel insurance is strongly recommended. Consequently, for the protection of our clients, you will be mailed a travel insurance brochure/policy along with an acceptance or rejection insurance waiver form. The effective date of coverage will be the date that the insurance premium is paid and not the date of the initial deposit.
