Solemnity of the Most Holy Body and Blood of Christ (Corpus Christi)

This annual celebration is a reminder that we Catholics believe in the real presence, Body and Blood, Soul and Divinity, of Jesus Christ the Risen Lord under the appearances of bread and wine in the Eucharist. In many places of the world, there are traditions of Corpus Christi processions throughout neighborhoods as way of witnessing publicly to this truth of our faith, this incredible gift given to us by Jesus himself.

“The Lord Jesus, on the night he was handed over, took bread, broke it and said, “This is my body that is for you. Do this in remembrance of me.”

In the same way also the cup, after supper, saying, “This cup is the new covenant in my blood. Do this, as often as you drink it, in remembrance of me.”

For as often as you eat the bread and drink the cup, you proclaim the death of the Lord until he comes.

(1 Corinthians 11:24-26...the 1st written account in the Bible of the Institution of the Eucharist)

I am blessed because this week, along with 28 others, I am in Warsaw, Poland on Thursday (when Corpus Christi is celebrated in Europe) and then in Krakow on Sunday where we will visit the Wieliczka Salt Mine, the oldest one in Europe, and a UNESCO World Heritage Site. See you next weekend!

A Time to Celebrate

So many of us were touched by the loving ministry of Deacon Eddie and Sandy Salgado during the many years they served in our parish. With Sandy’s death about three years ago, Eddie asked the Lord for guidance and direction in his life and, well, God came through. As many of you know, Eddie will be married on July 3rd at Corpus Christi Church in Tucson, Arizona to a lovely woman (widowed) named Linda Atkielski. Let’s keep them in our prayers, and if you wish to send a greeting to them, the address is: 1851 N. Placita de Lenador, Tuscon, AZ 85749.

MERCY - Friday, July 12th at 5:30pm / Father Greg Boyle, S.J.

"Proclaim that mercy is the greatest attribute of God. All the works of My hands are crowned with mercy." (The Diary of St. Faustina, no. 301). What does mercy look like? How is God seeking to pour mercy into your life, and how is He challenging you to extend it to others? Join us for a parish BBQ at 5:30pm followed by a talk at 7pm by Father Greg Boyle and hear about his profound experience of mercy in his ministry with gang-intervention.

Free will offerings to Homeboy Industries are highly encouraged.

Gregory Boyle is the founder of Homeboy Industries in Los Angeles, the largest gang-intervention, rehabilitation, and re-entry program in the world. A native Angeleno and Jesuit priest, from 1986 to 1992 Father Boyle served as pastor of Dolores Mission Church in Boyle Heights, then the poorest Catholic parish in Los Angeles that also had the highest concentration of gang activity in the city. Father Boyle witnessed the devastating impact of gang violence on his community during the so-called “decade of death” that began in the late 1980s and peaked at 1,000 gang-related killings in 1992. In the face of law enforcement tactics and criminal justice policies of suppression and mass incarceration as the means to end gang violence, he and parish and community members adopted what was a radical approach at the time: treat gang members as human beings. In 1988 they started what would eventually become Homeboy Industries, which employs and trains former gang members in a range of social enterprises, as well as provides critical services to thousands of men and women who walk through its doors every year seeking a better life.
Bishop Kevin Vann has named this Sunday, June 23 as "360 Sunday" in the Diocese of Orange, urging all Catholics to make their voices heard and let Sacramento legislators know that they oppose Senate Bill 360, which would require all clergy to report to civil authorities the identities of certain penitents who in the sacrament of penance confess that they have sexually abused a minor. We absolutely stand by the effective policies already in place to ensure all those in contact with minors for any parish program, ministry or event are background checked, fingerprinted and trained in Safe Environment. All teen and adult volunteers, including our staff and clergy have happily consented to these policies and procedures to ensure the protected of all of our parishioners, especially minors and vulnerable adults. However, a legal mandate to break the seal of confession is a violation of religious freedom, going against the First Amendment, and has yet to be supported by any evidence that such a policy could have previously prevented abuse or would have hastened the prosecution of such individuals. The Sacrament of Reconciliation is not a place of condemnation or judgment, but an embrace of mercy for those who recognize they have turned away from God and desire His forgiveness. The opposition of this bill is not out of a desire to cover-up such occurrences of abuse, but to protect the seal of confession and religious liberty for all individuals.

State law currently exempts clergy from the mandate to report sexual abuse of a minor when that information is learned in the sacrament of penance. Clergy and other mandated reporters who learn of such abuse outside of the rite of penance are required to report the abuse to civil officials. If SB 360 were to pass, Catholic priests would be faced with either violating state law or breaking the seal of confession, a very serious crime that would result in their automatic excommunication. Numerous priests have gone on record stating that they will protect the seal of confession at any cost.

The bill has passed in the State Senate and now moves to the Assembly. Bishop Vann is asking for all Catholics to visit www.rcbo.org/360Sunday to learn more about the proposed legislation and then to sign an online petition which will automatically be routed to your Assembly representative. Thank you for using your voice to stand up for religious freedom. If you would also like to be part of our initiatives to protect minors and vulnerable adults at St. Timothy's, please contact the office for more information on how you can complete our fingerprinting and Safe Environment process. Please pray that we can safely continue to form loving disciples of Jesus Christ who make a difference in all that we do.
Food Pantry Corner

At our Food Pantry, we provide food for at least 90 households every week. Of those helped weekly, at least 150 are children. We love to see the children who visit us each week, especially the beautiful babies. Besides food, one essential that we provide for families is diapers. Families with babies are given 6 diapers each visit. It isn’t much, but it does help stretch their budget. Our mothers are thrilled when we are also able to provide them with wipes. We also have a selection of donated children’s books for our toddlers and preschoolers who visit with their parents. Your generous donations are a blessing for these families struggling to make ends meet. **We are in constant need of size 3, 4 and 5 diapers and baby wipes. This week we also need cereal, jelly and canned corn and peas.** You may bring any donations to the carts outside the church at weekend Masses or to the church office during the week. Thank you for your ongoing help for those in need.

**Are you a Senior Citizen living alone? Are you concerned about a family member or a friend who lives alone?**

The “You Are Not Alone” (YANA) program is designed for Laguna Niguel residents to provide a measure of security and well-being for those who are primarily alone. This free program consists of checking on the welfare of those residents who have requested it.

Participants in the program can choose from having the senior volunteers in the Police Auxiliary Citizens Team (P.A.C.T) for the City of Laguna Niguel either come to the residence or make a phone call to the residence. If no one answers, the P.A.C.T. member will call a Deputy to contact the resident’s emergency contact person, and request that person to check on the resident’s welfare. If the emergency contact person does not respond to the request to make a “check”, the Deputy will then decide whether or not to enter the residence in order to check on the resident.

**Staying Connected Helps to Keep You Safe!**

The YANA program will NOT administer medications or transport the participant to the doctor’s office, grocery store, or to run errands.

**Program Criteria:** Participants must be at least 65 years old or have a medical disability, live in the city of Laguna Niguel, and have a next-of-kin, caregiver, or relative available as a responsible party.

For additional information, contact Admin. Deputy Nicole Laza at (949) 362-4307

Our **Universal Church Collection** will be taken up this weekend. This special collection combines the Catholic Relief Services Collection and the Peter’s Pence Collection. The mission of Catholic Relief Services is to assist the poor and disadvantaged by alleviating human suffering, promoting development of all people, and fostering charity and justice internationally. CRS aids the poor by first providing direct assistance where needed, and then encouraging these people to help with their own development.

Explaining God’s Word

This is a full-color children’s bulletin available during the summer months which retells the Scripture message in a meaningful way. These engaging lessons explain the Sunday Gospel with the interaction children need and love. Every week these leaflets provide a delightful commentary that our youngest of parishioners can understand.

Explain God’s Word includes age appropriate games and activities for in-pew or home use.

These will be sent home through Children’s Liturgy of the Word Ministry in June. Look for them on the tables near the back of the church.

We welcome your thoughts or comments, Valerie Skaare, vskaare@st-timsr.org, 495-4176.

Children’s Liturgy of the Word, (C.L.O.W.) is on vacation during the month of July.

The ministry will resume at the 9 a.m. and 11 a.m. Liturgies each Sunday beginning August 4.

Only 20 minutes one Sunday each month during the Mass you typically attend!

Parents of children who partake in C.L.O.W. are encouraged to volunteer.

Diocesan volunteer forms are required. The reward is heavenly!
