Please mark your calendars to attend one of these enrichment sessions for all who are involved in the liturgical life of our parish. Using the theme “Stir Into Flame” we will spend time in celebration of what each liturgical ministry brings to the spiritual life of our parish, in reflection on the graces of liturgical ministry, and in conversation as to how we can enhance what we do for the glory of God and the good of our parish.
During the month of October, our Church reminds us of the life and dignity of each person. With that in mind, I recently saw this in a bulletin from another parish and I wanted to share it with you as another way to welcome our families with small children. Here it is:

**If you are celebrating Mass with a child today...relax!**

God puts the wiggle in children; do not feel you have to suppress it in God’s house. All are welcome! Sit toward the front where it is easier for your little ones to see and hear what’s going on at the altar. They tire of seeing the backs of other’s heads. Quietly explain the parts of the Mass and actions of the priests, altar servers, choir, etc. Sing the hymns, pray, and voice the responses. Children learn liturgical behavior by copying you! If you have to leave Mass with your child, feel free to step outside but please come back. Remember the way we welcome children in church directly affects the way they respond to church, to God, and to one another. Let them know that they are at home in this house of worship. The presence of these children is a gift to the church, and they are a reminder that our parish is growing. Remember, if the church isn’t crying, it’s dying. Through Baptism, we are made members of the Body of Christ, including the youngest among us. Children are always welcome.

**If you find yourself celebrating Mass near a child today...**

Please welcome our children and give a smile of encouragement to their parents. If you see a parent struggling, please offer to help.

Thanks be to God for the young families with children; may the Lord bless them abundantly.

**MYSTERY - Monday, October 28th at 7pm in the Hall with Father Robert Spitzer, S.J., PhD**

What happens when we die? How do we know that we a soul? After reading "Proof of Heaven" by neurosurgeon Eben Alexander, our Free To Be women's group was inspired to host this event for our parish. Join us as we explore this mystery together!

Next week is World Mission Sunday, in a special Extraordinary Missionary Month. We are called through our baptism to be part of the Church’s missionary efforts, through prayer, self-sacrifice and support of missionary vocations through material aid. Remembering that we are baptized and sent as a Universal Church of Christ on mission in the world, we can…

**PRAY** for the Church’s worldwide missionary work.

“The Rosary is a deep prayer because as we recite the Our Fathers, Hail Marys, and Glory Bys, we meditate on the mysteries in the lives of Jesus and Mary. No wonder it pleases Our Lady when we pray the Rosary.”

If you have a love of prayer, especially to Our Blessed Mother as she leads us to her Son, Jesus Christ, and would like to pray for others, in Spanish, this is the group for you!

Stewardship Reflection, October 13, 2019

“Has none but this foreigner returned to give thanks to God?” Luke 17:18

Most of us live “easy” lives. We have food, shelter and clothing. We go on vacation every year and own a car or two. Most of us take this all for granted. Did you ever notice that people with the least amount of possessions are usually the most grateful? Shouldn’t this be the other way around? Take time every day and thank God for all He has given you.
