Were not our hearts burning within us while he spoke to us on the way and opened the Scriptures to us?

Luke 24:32
Let’s go outside and take a walk!

More and more of us are doing this during these days.....we are going out and taking a walk. We in Laguna Niguel are so blessed to have such beautiful surroundings, wide streets with sidewalks, open walking trails, and fantastic views all about us. The glory of God’s grandeur is witnessed in the warm spring days and the plants all in bloom. Going out and taking a walk is a good time for refreshment, quiet, thoughtfulness, and prayer.

The Gospel reading for this Sunday is from Luke 24: 13-35. It is the well-known account of two disciples of Jesus out for a walk, on their way home to Emmaus (7 miles from Jerusalem where they started), discussing all that had happened in the past few days that resulted in Jesus being crucified, buried, and now, his body was missing. They didn’t know what to think. During their walk, the Risen Jesus started to walk with them (though they didn’t know it was him). He listened to them and accompanied them in their confusion, grief, doubt, and dashed hopes. He gave them space to deal with their thoughts.

And then, not content to let them remain in these fears, Jesus spoke to them, explained the Scriptures to them, and gave them new insight. Later, he broke bread with them and then they knew: He, Jesus, the Risen Lord, had been in their midst during that walk! And so, they got up and went outside for another walk: back 7 miles to Jerusalem with good news for the rest of the disciples: He has been raised as He said!

All of this happened outside when they took a walk. Who knows what graces are in store for us as we go outside and take a walk. Give it a try if you can. If you can’t get outside and walk, it’s a great time for imagination. For me, walking is a great time for prayer, for refreshment, for peace.

Beware of Phone, Email, and Text Scams

There have been a number of phone, email, and text scams that supposedly are coming from Msgr. John requesting money and/or gift cards. **CAUTION:** do not send money or gifts cards to anyone without some sort of confirmation through a trusted and known channel of communication.

If you get such a request, please call the parish office at 949-249-4091 and check with Steven, our Office Manager before you do anything more. This seems to be happening more and more as people get numbers and contacts through social media or the parish website or the weekly bulletin. Be on guard!
